Maps

- **Swimming:** A marked lap is swum in the Koberbach dam. The start is to the right of the non-swimmers' area and you swim anti-clockwise. A pilot boat goes ahead.
- **Cycling:** You cycle on tarmac side roads from the lido, to Blankenhain, onto the connecting road Seelingstädt - Mannichswalde - Langenreinsdorf. In Langenreinsdorf, the route follows an „eco-paved path“ (solid paving on the right-hand side) back onto the aforementioned connecting road. The route is not closed to other traffic.
- **Kayaking:** In the swimming area, a 1.5 km circuit is marked by buoys. This must be completed five times in an anti-clockwise direction. ATTENTION: It is essential to observe the marker buoys, as most of the lines remain in the water!
- **Runing:** The race starts at the lido: The same circuit 5 km, must be run twice.
